

What is MAK?

MAK is a 501(c)3 non-profit organization formed to honor and remember the life of

Michael A. Krawczyk (MAK)

Michael tragically passed away in a car crash on June 16, 2005. He was too young to die and will forever be known to all who knew him as a charming, kind, passionate and hard working young man.

Our memories of Michael will never fade; in fact, our appreciation and understanding of who Michael was and what he meant to us has grown stronger. We know Michael would have wanted it this way.

Our family's mission is to turn our loss into opportunities for others. This year, proceeds from the event will benefit the Brain Injury Association of Illinois and Gift from the Heart Foundation.

Please consider attending and/or sponsoring this event. We look forward to continued support from all of our family and friends, and we look forward to building relationships with the people who never had the good fortune of knowing Michael!
